Today, we welcome Carshalton Athletic to Meadow Park for our important FA Cup 4th Qualifying Round tie. May I wish their Directors, Manager, players, and supporters a pleasant stay with us and a safe journey home.

Very few will remember, but way back in 1999 (now 26 seasons ago), I actually began my tenure here as Boreham Wood FC Chairman against today's visitors, Carshalton Athletic, when both of us were in the Isthmian League. Back then, Carshalton Athletic were seen by some folk as a bigger football club than ours, though not by me, I hasten to add.

I well remember the day though, it was sunny, it was warm and even then we had a good pitch. I was just 36 years old and in truth, I felt very nervous. I had spent a lot of money to save the club, I had my now ex-wife, my 5 young children and most of my family and friends with me for the game, and it DID NOT go very well at all.

It was my first day on parade as BWFC Chairman, but Carshalton came, they were much better than us on the day, they did a real job on us and we got a fully deserved 3-0 hammering. I can still well remember thinking to myself with just 200 paying supporters in the ground, OMG what the hell have I done?

That was the first of many difficult days encountered here in my time as Chairman and that first beating certainly ruined my homecoming.....it also ruined my family's big day and, looking back, it still hurts even today.

That was a day I had wanted to go so well for all manner of reasons - but especially out of respect for my late father Micky Hunter's memory, as he'd played for the club, and also managed us with a lot of class, dignity and success in the late 60's and early 70's.

It's funny, even now, there is never a match day that I don't think of him or mentally speak to him and today will be no different. That said, who would have thought after all

these years, that I would get the chance, especially in the FA Cup, to exact some sort of revenge and perhaps turn the tables on Carshalton Athletic this afternoon?

The FA Cup over the years has created great memories for our football club, our town and our whole community and in simple terms can unite everyone as we have all witnessed, and when it does all you can say is wow, wow, wow.

In recent years it's been very kind and special to Luke, me, our dressing room, our supporters, our town and our community, especially that run to the FA Cup 5th Round when we beat Barnet, Eastleigh, St Albans City, AFC Wimbledon, AFC Bournemouth and then travelled up to Goodison Park to meet Everton in the last 16 on a Thursday night in front of 39,000 fans, whilst also being in the draw for the FA Cup Quarter-Final!

Being totally honest, I'm still a tad greedy to sample some more cup glory and that means we must focus and do whatever it takes to win today. Since Luke Garrard's return to the dugout just over a month ago, we've advanced without too many scares to reach the FA Cup 4th Qualifying Round, beating Eastbourne Borough away 1-0 and then Larkhall Athletic here 2-1. We've also remained unbeaten in both our league games beating Welling United 6-0 here and Chippenham 1-0 away.

As such we go into this afternoon's game full of confidence. I'm told we are almost at full strength and so we should be fully committed and focused on getting ourselves into the FA Cup 1st Round Proper for the umpteenth time.

Hopefully, a good performance today can give us the win we need, because as we all know, a win no matter how achieved, can lead to a good draw and if Lady Luck is with you, she might just give us another tilt at a Football League club?

Firstly though, we must deal with the real threat of Carshalton Athletic and all that they have to offer this afternoon. In truth, since we got promoted out of the Ryman League around 15 years ago, our paths have never crossed and with us now being in a higher league, I suppose in most people's eyes we will go into today's game as favourites.

Carshalton Athletic will already know they have done fantastically well to get this far and that they have absolutely nothing to lose and everything to gain today. With it also being about the magic of the FA Cup, it tells us all that there will be the normal shocks up and down the country this afternoon.... Carshalton will be looking to provide one of those shocks for themselves and for their fans.

For us, a Cup run is of course important, but not more important to me than this season's promotion challenge, as the league must be our priority. That's why we have put together such a strong squad this season and it's why Luke will hopefully have 18 of his 20-man squad of National League players to choose from this afternoon.

Knowing Luke like I do, he will pick what he feels to be his strongest starting XI to get the job done today. Whatever the result this afternoon though, can I thank our loyal travelling 'Wood Army' fans for your outstanding away support thus far this season.

Can I also thank the 'Wood Army' for their caring and kind attitudes toward a fellow 'Wood Army' supporter Phil Jackson down at Chippenham last Saturday. Phil [no doubt having had a few beers, haha] slipped and fell, cutting his head on the terraces at Chip-

penham. Though we sent one of our medics to look after him and got him home on the supporter's coach, the care and concern shown by our supporters and my medical staff was heartwarming to see. Anyway get well soon Phil and stay off the booze haha but knowing you, you'll most likely be back in the Glass House and on the North Bank today.

In regards to this season, it feels like belief is returning to the club behind the scenes and on the terraces. I might be wrong but it feels to me that we are all starting to understand what it's going to take to get ourselves promoted this season after me having to make some very big calls in September.

Anyway, let's get back to this afternoon's FA Cup encounter and in reality for both Carshalton Athletic and ourselves today is only about winning and getting to the 1st Round Proper of the FA Cup. Both sets of supporters know that only one club can progress and fulfil its ambitions and dreams regarding an onward FA Cup journey and its possible rewards for this season.

Hopefully, Lady Luck and FA Cup fortune will shine on our club today and it will be our dressing room and supporters celebrating a hard-fought victory come 5pm this evening. That said whoever wins can I say "commiserations to the losers and to the victor the spoils"....

Lastly, whoever you support, let's hope for an open, attacking game and may the best team win.

Take care.

Danny

Good Afternoon, firstly I would like to welcome Peter Adeniyi and his Staff and Players to Meadow Park for todays Emirates FA Cup Fourth Qualifying Round Tie.

Having returned to the Club three weeks ago, it's been a very positive start to what I hope to be a successful season.

The squad has been very receptive to my message, and have fully grasped my ideas and the clear understanding of what I expect.

There has been some subtle changes to way I want to play and that will be evident in the coming weeks, the more we work on it throughout the training sessions the better we will become.

The standard of the sessions have been very high, and the level of competition within the squad is something I am very content with, I knew when I returned what the group consisted of and it excited me and I need them to understand their strengths and to play without fear.

The early signs of our metrics and the output we expect from them as staff has been good, we have hit way above where we were presenting prior to my return and the aggression we are showing in our regains and press has been the most notable.

For a side like us, we need to own the ball and own the pitch and to be able to do that we have to, have a level of fitness and sharpness to aid us in our intensity to suffocate and press with an intent all over the park.

We have an identity as a team, and we need to stick to that throughout the game and emphasise our way of playing on the opposition.

We have a system that the team understand, no matter what the opposition present we are fluid in the way we work and always look to get on top and implement our game and get into the areas we feel can hurt many teams.

It's been good to date, with four wins from four, this will breed confidence and a belief in the group where winning becomes a habit.

With the treatment room also finally starting to empty out, the squad is going from strength to strength with everyone knowing that someone is waiting in the wings to jump at the chance to take their shirt.

To have this quality squad to my disposable has been very fortunate and something I don't take for granted, especially having the luxury to make 5 substitutions in game. With the depth of the group, you can really have an impact from off the bench to change the game in your favour and that has been shown over the recent weeks.

Today is an opportunity to maintain our current form and continue the good work that has been done, and to have the carrot of a First Round Proper Tie should be the icing on the cake.

Let's get Meadow Park rocking and get right behind the boys.

Look forward to seeing you all, enjoy the game

Luke

2023/24 FINISH
11th - Isthmian League Premier

IN THE DUGOUT

Manager: Peter ADENIYI

During his initial tenure at the Robins, Adeniyi guided the club to one promotion and three playoff finishes, despite COVID cutting short two seasons. Starting his playing career at Bromley, Adeniyi also played for Eastleigh and Dulwich Hamlet and joined Carshalton in 2015 as a player before becoming player-manager. Adeniyi briefly stepped down to serve as Director of Football and lead the club's academy program but returned to his role in the dugout last year.

ONES TO WATCH

Dominic VOSE

Age: 30 Years

Position: Midfield

30-year-old attacking midfielder Dominic Vose began his career at Fulham and West Ham, later playing for clubs such as Barnet, Colchester United, Scunthorpe United, and Grimsby Town. Vose is very experienced in non-league football with spells in both the National League South and the National League, as well as abroad with spells in Iceland and Gibraltar, before returning to England and joining the Robins in the summer.

Darnel GOATHER-BRAITHWAITE

Age: 25 Years

Position: Winger

Darnell Goather-Braithwaite, a 25-year-old winger, mainly operating down the left of the pitch, brings experience to the Robins from Step 2 with Hemel Hempstead and 20 appearances at step 3 with Kingstonian. Known for his quality on the wing, he played a crucial role in keeping Kingstonian in Step 3 during the 2022/23. Joining the Robins this season, Goather-Braithwaite is certainly one to keep an eye on this afternoon.

Thomas JACKSON

Age: 26 Years

Position: Midfield

Carshalton midfielder Thomas Jackson joined Peter Adeniyi's squad for this season, following a solid campaign with Bracknell and experience at other clubs such as Hendon, Corinthian Casuals, and AFC Wimbledon. Known for his versatility and work rate in the middle of the park, he is playing a key role in strengthening the Robins' midfield.

ROUTE TO THE FOURTH ROUND QUALIFYING

CARSHALTON ATHLETIC

Peter Adeniyi's Carshalton Athletic side's Emirates FA Cup journey commenced in the first qualifying round which saw them welcome step 5, Haywards Heath Town to the War Memorial Sports Ground.

The Robins would take the lead just before the 20 minute mark through Darnell Goather-Braithwaite and would go onto shift up a gear in the second half, extending their lead to 3-0 with goals from Oliver Hamstead and Steve Gody. The visitors would claw one back from the penalty spot in the 80th minute, but it would be too little to late for the visitors as the Isthmian Premier side progressed.

Second round qualifying would see the Robins host Isthmian South Central side, South Park Reigate, with Tommy Bradford scoring the only goal in the tie after a goalmouth scramble, capitalising on a cross from Darnell Goather-Braithwaite. Carshalton dominated early, with Fabio Saraiva and Bradford both coming close, but goalkeeper Danny Bracken made multiple key saves for South Park. Substitute Mason Saunders-Henry added energy, but the Robins couldn't extend their lead. However, despite late pressure from their opponents, Peter Adeniyi's men dug in and held on to advance once again.

Finally, third round qualifying saw an intense game for Carshalton Athletic as they narrowly defeated Melksham Town 3-2. Tommy Bradford opened the scoring after pouncing on a rebound, and Saunders Henry added a second with a long-range strike. Melksham fought back, scoring twice through Robbie James and Mark Cooper but, In the dying moments, Sharon Ifeanyi won a penalty for the Robins, which Dom Vose coolly converted to secure their place at the Mangata Pay UK Stadium Meadow Park this afternoon.

CARSHALTON ATHLETIC

Football historian **LEIGH EDWARDS** selects ten post-war Welling Utd 'Classic Campaigns'

1952/53

Carshalton Athletic won the Corinthian League title for the first time in 1952/53. The season began with a friendly match against Dutch side Hengelo and this became a regular fixture over several seasons. The Robins won 19 of their 26 games and hammered Worthing 7-0 and Tilbury 6-2, also securing four-goal wins at home to Epsom, Maidenhead United and Chesham United. Gaining 39 points, they finished three points ahead of runners-up Hounslow. They also reached the FA Cup third qualifying round for only the second time, beating Bexleyheath 8 Welling 5-1, Kingstonian 3-0 and Sutton United 2-0 before losing 4-3 at home to Wimbledon.

1953/54

Carshalton Athletic retained the Corinthian League title in 1953/54. The Robins won 17 of their 26 games and trounced Worthing 8-3 and Eastbourne 6-3 at home, also romping to a 6-1 victory at Chesham United. They triumphed 5-3 at home to Slough Town and secured 4-1 wins over Maidstone United and Uxbridge. Gaining 39 points, they finished just one point ahead of runners-up Edgware Town after an exciting title race. They swept to an emphatic 8-0 victory over Worthing at Colston Avenue en route to their first Memorial Shield final but despite scoring twice in the opening six minutes, with goals from Webb and Raynor, they lost 3-2 to Edgware.

1954/55

Carshalton Athletic reached the Amateur Cup quarter-finals at the first attempt in 1954/55. They beat past winners Leytonstone 3-1, Norton Woodseats 4-1 and Alton Town 4-3,

after a 1-1 draw, in the Amateur Cup before a 6-1 defeat at Hounslow, after a 2-2 draw, in the quarter-finals. It was the first year that two Corinthian League teams had reached that stage of the competition. The Robins also reached the final of the Surrey Senior Shield for the first time. Carshalton finished third in the Corinthian League, winning 17 of their 28 games and gaining 38 points. Goalkeeper Frank George and full-back Alan Eagles both went on to play for Leyton Orient.

1959/60

Carshalton Athletic reached the Amateur Cup quarter-finals again in 1959/60. England Amateur international full-back Terry Stacey had moved to Plymouth Argyle during the summer. Carshalton beat Waterlooville 1-0, Stanley United 3-1 and Norton Woodseats 3-0 in the Amateur Cup before losing 4-0 at Kingstonian in the quarter-finals. They won the Southern Combination Cup for the first time, beating Slough Town 4-2 in the final, avenging a 3-2 defeat by the same opponents in the inaugural Southern Combination Cup final the previous year. Full-back Roy Lunnis moved to Crystal Palace in April 1960 and later played for Portsmouth and Luton.

1976/77

Carshalton Athletic won promotion in 1976/77. They won 25 of their 42 Isthmian League Second Division games and lost just once at Colston Avenue, conceding only 33 goals during the campaign. Gaining 87 points, they finished runners-up behind runaway champions Boreham Wood. At the end of the season, the Isthmian League divisions were renamed. Division One became the Premier Division and Division Two was

renamed Division One as the Isthmian League expanded to three divisions. The Robins also won the Surrey Senior Shield for the first time and reached the FA Cup third qualifying round, losing 2-1 at Dagenham after a 3-3 draw.

1982/83

Carshalton Athletic reached the FA Cup second round proper for the first time in 1982/83. Laurie Churchill's side beat Horley Town 2-1, Southwick 3-1, Egham Town 2-0 and Walthamstow Avenue 2-1, after a 1-1 draw, en route to the FA Cup first round proper. The Robins hammered Barnet 4-0 at Colston Avenue to reach the second round. The following team lost 4-1 to Torquay United in front of 3,409 at Plainmoor: Rick Collier, Tony Maurice, Vic Akers, John Raffington, Andy Coghill, Gavin Fraser (Steve Bangs), Ian Parsons, Chris Lewington, Tommy Tuite, Barry Friend, Trevor Dark. The Robins finished 16th in the Isthmian League Premier Division.

2002/03

Ex-England international Graham Roberts guided Carshalton Athletic to the Isthmian League First Division South title in 2002/03. The Robins began with a 3-1 defeat at Lewes but then soared to the top of the table with a thrilling 16 match unbeaten run, including 12 wins. The run ended with a 3-0 defeat at Walton & Hersham but Carshalton won six of their next seven matches, including an emphatic 4-1 victory at home to title rivals Lewes. They won their final four Isthmian League games without conceding a goal, gaining 92 points and finishing four points ahead of runners-up Bognor Regis as they won promotion back to the Isthmian League Premier Division.

2008/09

Carshalton Athletic reached the Isthmian League Premier Division play-off final in 2008/09. It was the first full season under new ownership. Hayden Bird's side won their opening three games, with Richard Jolly scoring four goals in a 5-1 win at Harrow Borough. They crashed to a 5-1 defeat at home to Horsham just two days later but lost only three of their next 16 matches. Richard

Jolly was leading marksman with 31 goals as Carshalton won 19 of their 42 games and qualified for the play-offs in fourth place with 68 points. The Robins defeated Tonbridge Angels 3-2 in the semi-finals but lost 1-0 to Staines Town after extra-time in the play-off final.

2017/18

Carshalton Athletic stormed to the Isthmian League South Division title in 2017/18. The Robins made an eight-match unbeaten start, including four-goal wins over Shoreham, Corinthian Casuals and Chipstead as well as a 4-4 draw at home to Ramsgate. Omar Korboa scored four times in their 4-0 win at Hythe Town in mid-November. Mickel Miller grabbed a hat-trick as they beat Sittingbourne 3-0 during a 16 match unbeaten run, trouncing East Grinstead 5-1 and Molesey 5-0. Under player-boss Peter Adeniyi, they clinched the title in style with a 7-0 win at home to VCD Athletic on the final day. They gained 102 points, finishing three ahead of runners-up Lewes.

2018/19

Carshalton Athletic qualified for the Isthmian League Premier Division play-offs in 2018/19. Peter Adeniyi's side kicked off with a 1-0 victory at Lewes but won just one of their next eight games. The Robins soared with five straight wins. Harry Ottaway grabbed a hat-trick as they won 4-2 at Folkestone in early March to herald another five successive wins. Omar Korboa was another hat-trick hero as they won 5-1 at home to Wingate & Finchley. Carshalton lost only two of their final 18 games, finishing runners-up with 71 points, but lost 2-1 to Merstham in the play-off semi-finals. They lost 2-1 at Barnet in the FA Trophy third round after a 3-3 draw.

28 September 2024 // 15:00 // FA CUP - 4QR

The Wood dominated possession early on in this tie, but it was the visiting Larks who had the first real chance when Harvey Pritchard was denied by Nathan Ashmore.

The Wood took the lead in the 17th minute when Junior Dixon scored on the rebound after forcing a save and just five minutes later, Kwesi Appiah doubled the advantage, finishing off a flowing move. The Larks, however, responded in the 36th minute when Max Williams capitalised on a defensive mistake to score from long range.

In the second half, Boreham Wood pressed for a third goal but couldn't break through, with Larks' skipper Samuel Boulton making a goal-line clearance. Despite the Wood's dominance, the visitors grew in confidence, threatening late on with Max Williams and Alexander Lambert both going close. A late miss from Dixon kept the match tight, but Luke Garrard's men held on to progress to fourth round qualifying.

Appiah (26')

5 October 2024 // 15:00 // National League South

After a fairly balanced opening, the Wood gained control, with Junior Dixon's shot blocked in the 11th minute.

Luke Garrard's side took the lead in the 26th minute when Kwesi Appiah headed in a Tom Whelan corner with Whelan missing a chance to double the lead shortly after, while Nathan Ashmore made key saves to deny Leone Gravata and Luke Spokes before the half time interval.

The Bluebirds pushed hard in the second half, but Ashmore stood firm. The Wood had a chance to seal the win through Dixon, but Will Henry denied him. Despite late pressure from the hosts, the Wood back line held strong. Substitute Abdul Abdulmalik nearly created a second goal in stoppage time but, once again, the Chippenham Town number 1 was there to make the save.

TUDORS: BEATEN

Hemel Hempstead's unbeaten league run ended with a 1-0 defeat at Truro City. Jaze Kabia's 11th-minute goal, following a failed clearance from a Christian Oxlade-Chamberlain throw, proved decisive in difficult weather conditions.

Truro controlled much of the first half, with Hemel keeper Craig King making key saves. Hemel's best chance came when Alfie Cerulli's deflected shot narrowly missed the target. In a second half dominated by fouls and yellow cards, Truro remained solid, limiting Hemel's opportunities. Brandon Barzey had a late chance for the Tudors, but his effort went wide as Truro held on to claim the win.

A LOT TO LEARN FOR THE GULLS

Torquay United manager Paul Wotton expressed pride in his team's 1-0 victory at Hampton & Richmond Borough, which placed them third in the National League South.

After a rusty start following a two-week break, Cody Cooke scored the decisive goal in the 22nd minute with a header from Matt Carson's cross. Although they could have extended their lead, with Ben Seymour missing a chance and Brad Ash's goal disallowed for offside, the defence held firm for a clean sheet. Wotton acknowledged the team's progress, stating, "We are a work in progress... but it was a great day for us." With a two-week break ahead, Torquay prepare for an away trip to Eastbourne Borough.

7 GOAL THRILLER

Salisbury City and St Albans City served up a spectacle on Saturday, with the Whites securing a 4-3 victory despite a late scare.

The game started quietly until Aiden Elliot-Wheeler set up Josh Hedges, who brilliantly opened the scoring in the 6th minute. Salisbury doubled their lead in the 28th minute when Elliot-Wheeler scored after a setup from Hedges. They quickly made it 3-0 with a header from Josh Sommerton. In the second half, Noah Coppin added a fourth for Salisbury, but St Albans responded with goals from Makise Evans and Ken Charles to make it 4-2. Shaun Jeffers added another late goal for the hosts, making it 4-3. Salisbury held on for the win, despite a red card for St Albans' Phil Chinedu in stoppage time, ensuring the nervous travelling support could celebrate the victory.

We want to stop talented young individuals from falling through the net and give them a chance to progress their talent with top quality coaching aligned to education. In truth we have a proven track record of producing players who have gone on to play at the very top level in both England and Europe.

Have you got what it takes to become the next Iliman N'Diaye or Sorba Thomas?

If this all sounds financially like it's too good to be true, if this sounds like the type of programme you would be interested in joining but think you cannot afford, then think again and don't hesitate, come to our final trial with the BW PASE Academy, you honestly have nothing to lose!

Just for the time it takes you to trial, you will receive a FREE match ticket to one of Boreham Woof Football Clubs upcoming league games and FREE entry an Arsenal Development game here at the Mangata Pay UK Stadium Meadow Park as our guest.
