THOMAS

LEXUS

Today we welcome the Directors, Manager, Players and supporters of Welling United to the Mangata Pay UK Stadium Meadow Park. I hope you all have a pleasant stay with us and a safe Journey home.

Well it's been a demanding few weeks since my last programme notes against Worthing. In that time I have had to be true to my instincts, true to my ambitions, and true to my town, my community, my supporters and make a managerial change.

In all honesty with the money I'm spending, I just could not see us under Ross Jenkins being promotion challengers let alone title winners, and after 5 months with Ross at the helm I felt we were making no real progress as a club, a squad nor as a team and felt I needed to look at an alternative.

In truth i have been slightly fortunate in that Luke Garrard was still available despite having offers of employment elsewhere and after speaking with my Sporting Director Charlie Hunter and my middle son Daniel, it became clear that if a conversation was to be had with Luke, then a possible reunion could very well be on the cards.

I subsequently had the conversation, it felt very natural as you might expect from people who have had a relationship for more than 18 years and it became clear to me quite quickly, that if I wanted to give my town and club the best chance to move forward this season, that perhaps i should not look "a gift horse in the mouth" and so i acted swiftly.

My conversation with Luke mainly centred on football related matters, as we had put to bed any issues from last season over a coffee and a few chats some time ago. So it was more about how we could re-organise and re-ignite ourselves and the club to win a title with our current set up, squad and a few additions.

To cut a long story short, the Prodigal Son has now returned, hopefully fully refreshed and energised after his sabbatical. Luke i feel is now ready to work full on with me again and i think we are both ready to try and create the type of magic that we and our club experienced for more than a decade. So without further ado can I say a very simple but heartfelt welcome back Luke on behalf of myself, my staff, the players and our supporters, it's now time for this club to do what it does best.... Let's get after this league and let's re-focus on our title ambitions.

Though I have made a managerial change early I'm not trying to throw anyone under a bus here and of course Ross will be suitably compensated. I simply want this football club to be successful going forward and it's why i will not spend what I'm spending to sit 10th in what is a mediocre league at best.

Our football this season has been pretty at times, but it lacked cohesion, leadership, intensity, and for me the 'horse shoe' style of football that went from wing back, through the centre backs to wing back and then back again, was slow, predictable and with such a talented and settled squad we needed to do better.

To be clear to our supporters our recruitment was never about me asking Ross to sign cheap players or to dismantle a very good squad. It was never about a squad rebuild or built on signing cheaper players. It was only ever about getting very good players signed like Erico Sousa and putting last seasons wrongs to right. It was only ever about us being fully committed and focused on bringing good players to our football club and bringing us a League

Title..

For Ross the job he felt was possibly made slightly more difficult, when five of his Oxford City targets decided to stay where they were. In truth their decisions quietly pleased me as Oxford City had finished 19 points behind us last season, and in my opinion our existing players are far better than those players from Oxford who turned us down. Plus we also had some very good targets lined up from when Luke and Charlie were putting this seasons squad together.

In truth league tables don't lie and those same five part time Oxford City lads who turned Ross and BWFC down, now sit bottom of National League North, so perhaps we dodged a bullet? We eventually signed Erico Sousa, Charlie O'Connell, Josh Hare, Abdul AbdulMalik, Johnny Goddard and Junior Dixon, but only after in depth discussion and sign off from Ross.

Having said that, all of those players were already on our early summer target list and I feel Charlie Hunter has done a great job not only identifying and signing a squad that can compete at National League level but in not panicking and signing a predominantly National League South level squad.

All the above are not excuses, but they are why i have made the managerial change now, In truth it was a decision i felt i had to make solely by myself. Why? Because If I've got it wrong it will cost me hundreds of thousands of pounds but if I've got it right then I know special memories and a promotion are on there way.

Last Saturday when sitting on the team coach, my decisions felt correct to me before the game, it also led to a very contented feeling when I was talking to our away fans down at Eastbourne Borough before the game. The subsequent performance led to me feeling very content

when travelling back from Eastbourne on Saturday evening, as we had deservedly put ourselves in the hat for the next round of the FA Cup.

Sometimes things just feel right and for the first time since the last four games of last season, we once again looked like a strong, powerful, well drilled National League outfit. If I may, I'll now leave things there as I have now made the decision, but it was a decision no bigger than those i made in post and pre season, when I decided to invest heavily once again in our club, my staff, the dressing room, in our supporters and in our community programmes.

To increase our playing budget when dropping into a league below may seem crazy to some. By remaining as a full time football club in this division might appear as madness to others. By investing further in player recruitment and by keeping my key staff in place might appear to some like fools gold, but that's not the case and those decisions always meant that this season was never going to be a project or comfortable and there was always going to be pressure to achieve promotion and pressure should be accepted as part of a winning culture.

So with respect, let's now stop the excuses and let's go and win a league.

Finally whoever you support let's hope for an open, attacking game and may the best team win.

Take care

Danny

Good Afternoon I would like to welcome Rod Stringer and his Staff and Players to The Mangata Pay UK Stadium for todays National South fixture.

Having only been announced just over a week ago, it's been a very welcome return. Going straight into work with one session and the fixture last week against Eastbourne in the FA Cup.

It was full on for a 48hrs and now the dust has settled it's been extremely positive to have a whole week with the group.

The squad is a very well balanced, with so many familiar faces along with some real quality added to the side in the summer window.

The likes of Charlie O'Connell, Abdul Abdulmalik and Junior Dixon were lads I highlighted last year and to have them in the building now along with the players I've worked with over my time at the Club bodes well for our progression on the pitch.

I'm really looking forward to todays match, having been away for 5 months I've missed it immensely, the transition in coming back has been seamless

and I'm excited to stand once again in the dugout as your Manager.

This place has and will always be my home, the memories and moments we created have been immense and it's a continuation of the work we've done together and that starts with a positive result today to get back on track in the League.

We know the task we have for this season, and the players are fully aware of what's expected and we need to have a mentality that mirrors our vision and deliver in our performances to ensure our success.

Let's get Meadow Park rocking and have a positivity to really kick us on.

Look forward to seeing you all, enjoy the game

Luke

Manager: Rod STRINGER

A seasoned non-league manager with a proven track record of success. Stringer first led Aveley to the Isthmian Division One North title in 2009, followed by promotion with Braintree Town to the National League in 2011. After stabilising Bishop's Stortford over five years, he guided Chelmsford City to three National League South play-off campaigns. In 2024, Stringer took charge of Welling United, steering them to safety after a challenging relegation battle and continues his role in the Wings' dugout today.

ONES TO WATCH

Dave WINFIELD

Born: Aldershot - 24 March 1988

Position: Defender

The Welling United skipper has extensive experience in both the EFL and National League. Starting at Aldershot Town, he won promotion to League Two in 2008 before joining Wycombe Wanderers, where he achieved another promotion in 2011. After stints at Shrewsbury, York City, and Ebbsfleet United, he scored in the 2017 National League South play-off final. Following moves to Bromley, Romford, and Chelmsford, he joined Welling United in the summer.

Gene KENNEDY

Born: Harlow - 18 April 2003

Position: Midfield

Kennedy initially joined Welling on loan from Colchester United in February 2024 and played a key part in the Wings' successful fight against relegation under Rod Stringer. The midfielder made 12 first-team appearances for Colchester United, including six league outings before a loan spell with Braintree Town in 2023. After signing for Welling on loan, he impressed during his 16 league appearances, scoring once in the 3-2 home victory over Truro City.

Anointed CHUKWU

Born: Brighton - 18 September 2000

Position: Forward

The 23-year-old forward joined Welling United after a standout 2023/24 season at Wingate & Finchley, in which he scored on 17 occasions in 42 league games. Chukwu began his career with Salford City, followed by loan spells at Ramsbottom United and Widnes, before playing for East Thurrock, Romford, Grays Athletic, and Cheshunt. His performances at Wingate & Finchley helped push the team to the play-offs before joining the Wings.

CLASSIC CAMPAIGNS

WELLING UNITED

Football historian **LEIGH EDWARDS** selects ten post-war Welling Utd 'Classic Campaigns'

1985/86

Welling United stormed to the Southern League Premier Division title in 1985/86. The Wings pulled away at the top in the New Year and gained maximum points over the crucial Easter period, with a then record 1,413 crowd watching them beat rivals Fisher Athletic on Good Friday. They clinched the title with a 3-3 draw at Crawley Town and John Bartley was leading marksman with 47 goals as Welling finished an amazing 23 points ahead of runners-up Chelmsford City. Seven regulars, including Ray Burgess and Nigel Ransom, had graduated from the club's fine youth policy and Graham Hobbins' side also won the Kent Senior Cup for the first time.

1986/87

Welling United reached the FA Cup competition proper for the first time in 1986/87, taking Maidstone United to a replay in front of a then club record 2,100 crowd at Park View Road. The newly-promoted Wings began life in the Conference with a 3-1 defeat at home to Cheltenham and struggled after the loss of strikers David Smith and John Bartley to Gillingham and Maidstone respectively. A mini revival with just one defeat in nine matches saw Graham Hobbins voted 'Manager of the Month' in December. Leading scorer Gary Abbott gained England Semi-Pro recognition and Welling gained a reprieve with Nuneaton relegated instead due to ground difficulties.

1987/88

Welling United progressed to the FA Cup second round for the first time in 1987/88. During this run, the Wings twice bettered their record gate, beating Carshalton Athletic 3-2 at Park View Road in the

first round before losing 1-0 at home to Bath City. They won five of their opening nine Conference games but then slipped down the table and top scorer Gary Abbott joined Barnet for £15,000 in December. An improvement over the last two months of the season, including wins over Boston United, Macclesfield, Maidstone and Telford United, kept Welling clear of relegation danger and the final match at home to title-chasing Barnet attracted a 2,517 crowd.

1988/89

Welling United reached the FA Cup third round for the first time in 1988/89. The Wings won 3-0 at home to Bromsgrove Rovers in the first round, then 3-2 at home to Bath City in a second round replay before losing 1-0 to Blackburn Rovers in front of 3,850 at Park View Road in the third round. They also reached the FA Trophy quarter-final for the first time that season, losing 1-0 at Macclesfield, as well as reaching the Kent Senior Cup final. Welling maintained a top half position in the Conference for the first time and even briefly posed a threat to the teams battling for the title until injuries and suspensions caught up with them during the closing weeks.

1989/90

Welling United finished in their highest-ever position, sixth in the Conference, in 1989/90. Nicky Brigden's side won just two of their opening nine games but then climbed the table and Mark Hone's goal clinched a 1-0 FA Cup first round replay win at home to Gillingham, the club's first-ever against Football League opposition. They took Reading to an FA Cup second round third replay and were considered to be title outsiders but the glut of fixtures caught up with them during the run-in.

A record crowd of 2,621 saw Darlington clinch the Conference title at Park View Road. Welling won the London Senior Cup for the first time, beating Boreham Wood 2-0.

1991/92

Gary Abbott and Terry Robbins scored 48 Conference goals between them for Welling United in 1991/92. Ace marksman Abbott netted five goals in Welling's 5-1 victory over Alvechurch in the FA Cup fourth qualifying round. The Wings took an early lead at Leyton Orient in the FA Cup first round but lost 2-1. Abbott grabbed a hat-trick in Welling's 5-3 win at home to Barrow, while Robbins scored four times in a 6-1 win over Northwich Victoria. Nicky Brigden's side were fifth after beating Kidderminster 3-2 at the end of February but finished mid-table. They won the London Challenge Cup for the first time, defeating Dulwich Hamlet 2-0 in the final.

2010/11

Welling United narrowly failed to qualify for the Conference South play-offs in 2010/11. Despite the Wings having a transfer embargo enforced upon them and also being deducted five points, Jamie Day's side won ten of their opening 14 games, culminating in a 6-0 demolition of St Albans City. They remained in contention for the title until falling away in the closing weeks, missing out on a play-off place by just one point despite ending with a 4-0 victory at home to Basingstoke Town and scoring more goals than champions Braintree Town. Leading marksman Andy Pugh, Lee Clarke and Luis Cumbers netted 46 Conference South goals between them.

2011/12

Welling United reached the Conference South play-off final in 2011/12. Jamie Day's side won seven of their first nine games, scoring 26 goals in the process, to emerge as early pace-setters. Leading marksman Andy Pugh grabbed a hat-trick in a 4-0 victory at home to Maidenhead and netted 16 times in 22 games before moving to Cambridge United in January. The Wings hammered Truro City 5-1 and lost just once at Park View Road in the Conference South, 1-0 to Eastleigh in their penultimate home match, qualifying for the play-offs in third place.

They beat Sutton United 2-1 in the semi-finals but lost 1-0 to Dartford in the play-off final watched by 4,088.

2012/13

Welling United won the Conference South title in 2012/13. The Wings were the only side in the Conference to remain unbeaten at home and only five clubs avoided defeat at Park View Road. Jamie Day's side gained 12 straight wins in mid-season and went top for the first time after a 2-0 win over Farnborough in February. They regained pole position with a 3-2 win at home to Maidenhead in early March and stayed there for the rest of the season, finishing four points ahead of runners-up Salisbury to return to the top level of non-League football after a 13 year absence. Welling lost 2-1 at home to eventual finalists Grimsby Town in the FA Trophy third round.

2018/19

Welling United reached the Conference South play-off final for the second time in 2018/19. They won just two of their opening six matches under new manager Steve King before storming to a 5-0 win at Concord Rangers. Loanee Danny Mills scored twice in their 5-3 victory at home to Truro City in January and seven wins in a nine-match unbeaten run enabled the Wings to qualify for the Conference South play-offs in third place with 76 points. They gained a dramatic 3-2 victory at home to Chelmsford City in the semi-finals, with leading marksman Brendan Kiernan netting a 96th minute penalty winner, but lost 1-0 at Woking in the play-off final.

14 October 2023 // 15:00 // FA CUP 4RQ

Boreham Wood secured a place in the 2023/24 FA Cup first round with a narrow 1-0 victory over Welling United at Meadow Park.

The visitors made a bright start with Anthony Papadopoulos's early shot deflected wide but the Wood grew into the game, dominating possession and creating chances. Tyrone Marsh and Lee Ndlovu combined well, but the Wings' defence held firm. Welling's Tristian Abrahams nearly opened the scoring in the 19th minute, but his shot went wide of Ashmore's net.

In the second half, Welling hit the post early on with an effort from Jack Burchell before Boreham Wood took control again. Substitute goalkeeper for the Wings, Javarn Pitterson made several key saves, but was eventually beaten by a stunning Tyrone Marsh free-kick in the 86th minute. Welling pushed for an equaliser, with Kain Adom firing over from a tight angle, but Boreham Wood held on to claim the win.

7 September 2024 // 15:00 // National League South

The points were shared at the Beveree Stadium in South West London as the Wood and the Beavers played out a 1-1 draw.

Boreham Wood controlled possession early on, but the hosts held firm, with keeper Ted Curd making a crucial save from a Tom Whelan free kick. Chris Bush had a goal disallowed for offside before Jake Gray pounced on a defensive mistake to give Hampton a narrow 1-0 lead on the stroke of half time.

In the second half, Boreham Wood pushed for an equaliser, with Junior Dixon and Tom Whelan both going close. Hampton had chances of their own but couldn't extend their lead. After persistent pressure, the Wood finally drew level in stoppage time when another Tom Whelan free kick from the edge of the Beavers' penalty area would find the head of Kwesi Appiah, who headed the ball past Ted Curd in the hosts' net.

Dixon (70')

14 September 2024 // 15:00 // FA CUP 2RQ

Boreham Wood secured a place in third round qualifying of the Emirates FA Cup with a narrow 1-0 victory over Eastbourne Borough, Luke Garrard's first game in charge after his return.

The Wood dominated early proceedings, creating chances but were repeatedly denied by the hosts' number 1, Holter, who made several key saves. Eastbourne's best opportunity came in the 22nd minute when Williams attempted a bold long-range free kick that struck the crossbar with Nathan Ashmore caught off his line.

The second half saw Boreham Wood intensify their pressure, and they finally broke through in the 70th minute, with summer addition Junior Dixon cutting inside from the right and slotting a low shot into the bottom corner. Eastbourne pressed for an equaliser, introducing fresh attacking options, with their best chance coming in stoppage time, Ligendza narrowly missing the target. Despite late efforts from the Sports, Luke Garrard's men held on.

BOBBY REMAINS CAUTIOUS

Hemel Hempstead Town boss, Bobby Wilkinson is pleased with the Tudors' strong start to the National League South, but remains cautious and would rather not hit the summit just yet.

The Tudors extended their unbeaten run to eight games with a 1-0 win over Slough Town, sitting top of the league ahead of the FA Cup break. After overhauling the squad with 17 new arrivals this summer, Wilkinson stresses the importance of finishing strong. Despite the good start, he remains grounded, saying, "It's not how you start, it's how you finish," as the team takes it one game at a time.

FIRST WIN IN 8 FOR TERRAS'

Mark Molesley's Terras side ended a run of seven straight defeats with their first points of the season in a 2-1 victory over Marc White's Dorking Wanderers at Meadowbank.

Despite dominating possession, the Surrey side struggled to test Weymouth goalkeeper Gerrard Benfield. Weymouth's Calvin Brooks broke the deadlock just before the hour mark, finishing from a narrow angle with a defensive error allowing Jake Scrimshaw to score the second for the visitors. Dorking's Matt Briggs headed a late consolation goal, but the Terras secured their first win of their league campaign, handing Dorking their first home defeat of the season.

LATEST NEWS FROM MEADOW PARK

CLUB NEWS

WELCOME BACK LUKE

Boreham Wood Football Club are delighted to announce the return of Luke Garrard to Meadow Park as First Team Manager.

Luke returns to Meadow Park five months after departing the Club, having previously spent nine seasons in the hotseat and 18 total years with the Club in various capacities: player, Academy coach and Assistant Manager before taking the reins as Manager and Head of Football in October 2015.

During Luke's first stint in charge, the Club witnessed unrivalled success on the pitch, with the Club reaching the National League play-offs three times in 2018, 2020 and 2023, including going to Wembley for the first and only time, agonisingly losing out to eventual promotion winners on each occasion to Tranmere Rovers, Harrogate Town and Notts County respectively.

Competing at the top table of Non-League football was coupled with historic runs in the Emirates FA Cup, the world's most recognised Club cup competition. Under the COVID cloud, Wood reached the third round for the first time ever in January 2021, taking on Championship side Millwall at Meadow Park.

However, that cup record was bettered just a season later when Wood mounted a monumental cup run which culminated at Goodison Park going head-to-head with five-time FA Cup winners Everton. It was a run that captured the imagination of the nation,

defeating AFC Wimbledon in the third round to set up a fourth round tie against then Championship leaders AFC Bournemouth.

With modest expectations heading to the South coast, Garrard and his team tore up the script, masterminding the greatest night in the Club's history, as well as one of greatest FA Cup upsets in recent memory. Wood's 1-0 victory over the Cherries saw Wood become just the tenth Non-League side to reach the FA Cup fifth round.

Just a season later, Wood reached the FA Cup third round for the third consecutive season, becoming just the third Non-League side to achieve that feat after defeating Joey Barton's Bristol Rovers to set up a third round tie with Accrington Stanley.

Garrard takes over the team currently sat in 10th place in the National League South and will be in the dugout this weekend with a difficult FA Cup second qualifying round away to in-form league rivals Eastbourne Borough.

The Club urges the Wood Army faithful to get behind the Club, Luke and the team this weekend as we look to kick start our season following a difficult year, a poor start and an indifferent spell of results and performances of late.

Welcome back, Luke!
